

MEMORANDUM

To: Board of Directors, Massachusetts School Building Authority
From: James A. MacDonald, First Deputy Treasurer, Chief Executive Officer
Mary L. Pichetti, Executive Director, Deputy Chief Executive Officer
Date: February 16, 2024
Subject: MSBA Fiscal Year 2024 Budget Update

The following is a summary of the Massachusetts School Building Authority's ("MSBA's") Fiscal Year 2024 expenditures through February 15, 2024.

As part of the engineering of the new financial accounting system, the general ledger chart of account codes, which represent specific line-item categories of administration and operating expenses, was re-designed to align expense types and departmental functions more specifically. This effort streamlined the accounting and financial reporting of the MSBA's operations.

Therefore, the comparison of Fiscal Year 2022 expenses to Fiscal Year 2023 administrative and operating expenditures, while not significantly different, were not an exact comparison due to some categories of expenses having been realigned as between the two fiscal years. Total Grant Program expenses remained the same as there are only three-line items in this budget category – Capital Pipeline Payments, Prior Grant Payments, and Wait List Payments.

On May 24, 2023, the Board approved the Authority's Fiscal Year 2024 Budget. Expenditures as of February 15, 2024 are reflected in the budget report attached to this memorandum. Administrative and operating expenditures as between Fiscal Year 2023 and Fiscal Year 2024 are now aligned with the Authority's revised general ledger chart of account codes.

COLA adjustments for this fiscal year were implemented effective July 2, 2023. \$600K or 58% of the total amount of \$1.03 million has been spent to date for expenses related to employee benefits. The budget for employee benefits was determined by taking into consideration prior spending and an overall inflation factor of 4.8%.
